

Date: Thursday 18th - Saturday 20th November 2010

Venue: Copthorne Hotel, Oriental Bay, Wellington

NZ Branch of ASID Annual Infectious Diseases & Microbiology Conference

with guest speaker

**Dr John Turnidge,
Clinical Director,**

Microbiology and Infectious Diseases for SA Pathology

Members of ASID from New Zealand and Australia are welcome to attend the Annual Infectious Diseases & Microbiology Conference of the NZ Branch of ASID, being held this year 18-20th November in Wellington. Attendees are invited to submit an abstract for short presentations or posters. Presentations at the meeting will run from the Thursday evening until midday Saturday, with a Friday evening conference dinner. For further information or to register contact the organisers at Nigel.Raymond@ccdhb.org.nz.
